Welcome...

TO WELLINGTON BARN

Wellington Barn is a genuine, authentic 300-year-old barn set away from it all in the middle of the Manor Farm Estate. Nestling perfectly amidst the beautiful, rolling Wiltshire countryside, in an Area of Outstanding Natural Beauty, Wellington Barn offers a unique and intimate wedding venue, full of rustic elegance and it is completely exclusive to you and your guests for your special day.

The historic Old Barn, has been lovingly restored, keeping many of the original features, including the high vaulted ceilings and oak beams. Licensed for civil ceremonies, you can enjoy your wedding ceremony in a traditional, romantic and truly memorable setting.

Walking through into the Main Barn you can fully appreciate the breath-taking views of the stunning countryside through the panoramic windows that span the whole of one side. The room has a real wow factor with traditional wood panelled walls, dramatic lighting and hessian draped ceiling. The main barn can seat up to 180 people.

Enjoy the private & peaceful surroundings throughout your entire day on our South facing terrace and surrounding grounds including our fabulous wildflower meadow (in bloom from May – September) and our secluded oak gazebo area. All in all, it provides a stunning backdrop to your wedding whatever the weather. The Barn also benefits from a fully stocked and spacious bar, a dressing room, a lounge area, and a large private car park.

Wellington Barn has won multiple regional & national awards for Best Venue, with our amazing team being recognised for their exceptional service, winning Best Event Team.

Come and see us and let's start planning your wedding together!
